

## CLUB ED AT LEWIS F. COLE MIDDLE SCHOOL Fort Lee School District Program Proposal

CLUB ED Programs are designed to challenge and motivate students by engaging them in hands-on experiences.

The program includes:

- Homework assistance
- Enrichment activities
- Structured recreation

All Club Ed programs are licensed by the State of New Jersey and strictly adhere to state guidelines which include: a 1:15 adult to child ratio; fingerprint and background check all staff. All programs include snacks for all participating students.

The following models are options for before and after school programs for Fort Lee School District. The program will be provided at Lewis F. Cole Middle School in the school district during the 2018-2019 academic year and available **starting October 1, 2018 contingent upon obtaining a license from the State of New Jersey and a minimum of 25 students must be enrolled by October 31, 2018.**
