

FREE DENTAL CARE

for children ages 12 and younger

December 11, 2017

Dear School Nurse,

We'd like to make you aware of a remarkable program that is available to your students that might not otherwise have the means to visit a dentist for emergency or preventative care.

Every February dentists throughout NJ offer **free dental care** for children ages 12 and younger. In 2018, **Give Kids A Smile Day is Friday, February 2nd**. There are over **100 participating dental offices** available for parents to schedule an appointment at a location of their choice.

Give Kids A Smile NJ would like to help your students start each school day with a healthy smile!

Parents and families can participate in GKAS by:

- Marking their calendar - Friday, February 2nd, 2018
- Calling the location of their choice to set up an appointment
- Visiting our website www.njda.org for more information

Attached is a list of all participating locations. Please copy and distribute this list to your students.

Additional information is available on the New Jersey Dental Association website: www.njda.org. Give Kids A Smile can be found under the "For the Public" tab.

Best regards,
Cavan M. Brundsen, DMD
