

Chromebook Distribution

All students in grades 7-12 receive a Google Chromebook to assist with our classroom technology initiatives. ***Chromebooks will be distributed to all 7th Grade students and newly registered students on Tuesday, September 3rd in the middle school's media center.*** A detailed schedule outlining specific times for students to pick up Chromebooks is available below. All students who are not able to pick up the Chromebook on September 3rd will receive it on the first day of school. Insurance for the Chromebook is offered at a minimal cost for the school year and is highly recommended but not mandatory. A parent, guardian or family contact must be present at the Chromebook distribution to sign the technology agreement and acknowledge receipt of the insurance option prior to students receiving the Chromebook. All mandatory forms must also be filled out and submitted via the Genesis Parent Portal in order to receive the Chromebook. Our media specialist, Mrs. Spahn, is the contact person for all Chromebook questions or concerns at cspahn@flboe.com.
